SUBMITTER ENROLLMENT INSTRUCTIONS

NOTE: All Sections are required, unless otherwise indicated.

Please Note:

Providers will be required to supply the Submitter or Trading Partner ID of their vendor, billing agent, or clearinghouse on their authorization form. Please be prepared to supply this information to your providers upon request.

Provider Authorization required for Billing Agents or Clearinghouses

Your providers must individually authorize you to submit or retrieve on their behalf. Due to HIPAA Privacy Regulations, the State will not accept lists of providers from billing agents or clearinghouses.

Providers have been given a Provider Authorization Form to be completed and signed by the provider or the provider's representative. (The billing agent/clearinghouse cannot sign on behalf of the provider.) The Provider Authorization Form, attached for your reference, authorizes a billing agent or clearinghouse to submit and/or retrieve transactions on behalf of a provider. No Provider Authorization Form or Provider Enrollment form is required for testing by billing agents or clearinghouses, but both will be required prior to production.

Please ensure that all of your providers have submitted the authorization. If additional copies are required, please direct providers to the HIPAA Helpdesk at (800) 299-7304 or (505) 246-0710. A separate authorization form must be submitted for each of your providers before you can submit or retrieve information on their behalf.

Implementation Guide Limits

The Implementation Guide limits claims to 5000, and limits eligibility verifications to 99. You may not exceed these limits without receiving written permission from HSD to do so.

Submitter and Trading Partner are collectively to be considered “the Parties.”

Whereas, Submitter desires to transmit Transactions to Trading Partner for the purpose of submitting data to the health plan;

Whereas, Trading Partner desires to receive such Transactions for this purpose; and

Whereas, Submitter is subject to the Transaction and Code Set Regulations with respect to the transmission of such Transactions

Now, therefore, the Parties agree as follows:

1. Definitions

Trading Partner means Conduent EDI Gateway, Inc.

Submitter means the party identified as “Submitter” on the signature line of this Agreement.

Standard is defined in 45 C.F.R. 160.103.

Transaction is defined in 45 C.F.R. 160.103.

Transactions and Code Set Regulations means those regulations governing the transmission of certain health claims transactions as published by the U.S. Department of Health and Human Services (DHHS).

2. Obligations of the Parties Effective Upon Execution of this Agreement by Submitter

A. The Parties agree, in regard to any electronic Transactions between them:

- (1) They will exchange data electronically using only those Transaction types as selected by Submitter on the Submitter Enrollment Form.
- (2) They will exchange data electronically using only those formats (versions) as specified on the Submitter Enrollment Form.
- (3) They will not change any definition, data condition, or use of a data element or segment in a Standard Transaction they exchange electronically.
- (4) They will not add any data elements or segments to the Maximum Defined Data Set.

TRADING PARTNER AGREEMENT

(5) They will not use any code or data elements that are not in or are marked as “Not Used” in a Standard’s implementation specification.

(6) They will not change the meaning or intent of a Standard’s implementation specification.

(7) Trading Partner will accept Transactions from Submitter according to the Submitter Enrollment Form but may subsequently deny a Transaction for further processing if the Transaction is not submitted using the data elements, formats or Transaction types set forth in the Submitter Enrollment Form. Trading Partner may return a Submitter to a test status if Submitter repeatedly submits Transactions which do not meet the criteria set forth in a Submitter Enrollment Form or if Submitter repeatedly submits inaccurate or incomplete Transactions to Trading Partner.

- B. Submitter understands that Trading Partner or others may request an exception from the Transaction and Code Set Regulations from Department of Health and Human Services (DHHS). If an exception is granted, Submitter will participate fully with Trading Partner in the testing, verification, and implementation of a modification to a Transaction affected by the change.
- C. Trading Partner understands that DHHS may modify the Transaction and Code Set Regulations. Trading Partner will modify, test, verify, and implement all modifications or changes required by DHHS using a schedule mutually agreed upon by Submitter and Trading Partner.
- D. Neither Submitter nor Trading Partner accepts responsibility for technical or operational difficulties that arise out of third party service providers’ business obligations and requirements that undermine Transaction exchange between Submitter and Trading Partner.
- E. Submitter and Trading Partner will exercise diligence in protection of the identity, content, and improper access of business documents exchanged between the two parties. Submitter and Trading Partner will make reasonable efforts to protect the safety and security of individually assigned identification numbers that are contained in transmitted business documents and used to authenticate relationships between the parties.

- G. Transactions are considered properly received only after accessibility is established at the designated machine of the receiving party. Once transmissions are properly received, the receiving party will promptly transmit an electronic acknowledgement that conclusively constitutes evidence of properly received transactions. Each party will subject information to a virus check before transmission to the other party.
- H. Each party will implement and maintain appropriate policies and procedures and mechanisms to protect the confidentiality and security of Protected Health Information (PHI) transmitted between the parties.

3. Miscellaneous

- D. Unless otherwise prohibited by statute, the parties agree that this Agreement shall not be affected by any state's enactment or adoption of the Uniform Computer Information Transaction Act, Electronic Signature or any other similar state or federal law. Each party agrees to comply with all other applicable state and federal laws in carrying out its responsibilities under this Agreement.
- E. This Agreement is entered into solely between, and may be enforced only by, Submitter and Trading Partner. This Agreement shall not be deemed to create any rights in third parties or to create any obligations of Submitter or Trading Partner to any third party.
- F. No warranties express or implied, are provided by Trading Partner under this Agreement. Trading Partner's maximum aggregate liability for damages for any and all causes whatsoever arising out of this Agreement, regardless of the manner in which claimed or the form of action alleged, is limited to the amount(s) paid to Trading Partner by Submitter under this Agreement.

TRADING PARTNER AGREEMENT

G. Trading Partner may provide proprietary software to Submitter to allow Submitter to submit Transactions to Trading Partner. Submitter will protect the software as it protects its own confidential information and will not, directly or indirectly; allow access to or the use of the software or any portion thereof, on any computer, server, or network, by any person, or business entity other than Submitter. Submitter may permit use of the software by contractors or agents of Submitter provided that any such contractors or agents are not competitors of Trading Partner and further provided that any such persons agree to protect the confidentiality of the software. Submitter and its contractors and agents are not permitted to use the software for any purpose other than submitting Transactions solely to Trading Partner.

H. This Agreement contains the entire agreement between the parties and may only be modified by an agreement signed by both parties.
