

APPLICATION FOR COVID-19 TESTING

Do you have health insurance? If not, you may be able to get free testing for COVID-19 through Medicaid. List the names and information for you and anyone who lives with you who needs insurance for COVID-19 testing. Coverage will start the month when we get your application. You may also ask for coverage for the past three months if you got COVID-19 testing or related services.* If you need full health insurance, you might be able to get it from Medicaid or the NM Health Insurance Exchange for free or low-cost.
